Flu Season is Coming

The kids are going back to school as summer comes to an end, and it's your job to make sure they have everything they need for this time of year...including a flu shot! Having your child vaccinated is one of the most important things you can do as a parent.

The flu is a very dangerous illness, and the younger the child the more severe the repercussions can be. Can't get in to see the pediatrician? No problem. At Sand Run Pharmacy, we are here to help! Now, in the State of Ohio, pharmacists are permitted to administer vaccines to children 7 years of age and older. For the flu shot, no prescription is required, just a parent or guardian. However, we are also able to give any other recommended childhood vaccine as long as they have a prescription.

We are here to serve you, as we know you have very busy schedules. There are no lines, no waiting, and no appointments necessary to receive a vaccine at Sand Run Pharmacy. Flu season generally peaks in January or February, but it can occur as early as October and as late as May. The Centers for Disease Control and Prevention (CDC) recommends everyone 6 months of age and older receive a yearly flu shot. Feel free to call us at the pharmacy if you have any questions or concerns.

Community News and Events

Don't forget to get your annual flu shot. No appointment is necessary. We can bill most insurance companies and we pride ourselves on convenient, reliable, and fast service so you can get in and out quickly. Want to schedule a flu shot clinic for your business, church, or school? Contact Tom to schedule: tlamb@sandruncharmacy.com

The Humane Society of Greater Akron will be having the 15th Annual PAWSibilities Ball on Saturday September 12, 2015 at the Hilton in Fairlawn. Proceeds benefit the animals of the Humane Society. For sponsorship opportunities and reservations call 330-487-0333.

Do you or a loved one have trouble organizing medications? With different dosing regimens, it can be difficult to remember when (and if) you have taken your medication. Here at Sand Run Pharmacy we are proud to offer **Multidose Medication Packaging** free of charge. Your medications will be separated and organized according to your specific dosing schedule. *You can rest assured knowing your medications will be easily available right when you need them.* Eliminate the hassle of sorting through multiple prescription drug bottles. Each Multidose is prepared just for you by one of our pharmacists. Delivery is available free of charge for those in the area. Feel free to ask one of our friendly staff members for more information.

HOT OFF THE PRESS!

Local author, Mark Price, has written a book about our beloved Akron. Lost Akron talks about Akron's aeronautical history, the M. O'Neil Company, the North Hill Viaduct, Norka Soda and other items of years gone by. Mr. Price is a columnist for the Akron Beacon Journal. Books are available for purchase at the pharmacy. Stop by to pick up your copy today...they are selling fast!
