

SAND RUN PHARMACY

40 Sand Run Road
Akron, OH 44313
330-864-2138

Meet Natalie

Sand Run Pharmacy wishes to welcome Natalie Derifaj, our newest staff member. Natalie comes to us from Amherst, Ohio and is a recent graduate of Ohio Northern University. She majored in Pharmacy Business. Natalie will be working as part of the compounding staff and you may also see her assisting Tom and Jason with the day to day pharmacy tasks as well. She will be putting her business skills to use assisting with outside pharmacy programs, newsletters and social media. Natalie brings some personal experience to our veterinary compounding as she has a trained therapy dog, a rabbit and a turtle at home. Please welcome Natalie to the Akron area!

October is American Pharmacists Month!

Every October pharmacists dedicate time to advocate for our roles in patient care. We will continue to make every effort to provide you with the best personalized service at Sand Run Pharmacy. We volunteer to do more than just dispense your medications. We are proud of the many services we offer. Just to name a few:

- Blood pressure checks
- Cholesterol screenings
- OTC medication and vitamin counseling
- Prescription counseling and checkups
- Compounding (for people and pets!)
- Canes, walkers, and wheelchairs
- Comprehensive diabetes care
- Pill cards
- Shingles vaccines
- Pneumonia vaccines
- Delivery/mailing of medications
- Flu vaccines
- The flexibility to meet all of your needs

We are sincerely grateful that you choose to visit our pharmacy. We recognize that you could entrust your healthcare with any local pharmacy. It is a privilege to have you as our customer! We mean it. Thank you.

In the community. . .

Pictured above (left to right) are: Nora Houser, Bob Heubeck, and Diana Coyne. We are very proud of these three members of the Sand Run Pharmacy community. They are participating in the Leukemia & Lymphoma Society's Team in Training Program. It is the world's biggest endurance sports charity training program. After four months of intense training, they will tackle a challenging 100 miles of cycling along the eastern shore of Maryland on October 5th. Their efforts will raise money to support blood cancer research. Please visit www.teamintraining.org to learn more about this charity and future events.

Partner's 4 Safety is an Akron coalition of citizens, businesses, and government entities, who are dedicated to reducing unintentional injuries and deaths in our community. Sand Run Pharmacy is a dedicated member of this coalition. They will be holding their inaugural *Remembering When* program on October 8th. It is a fire and fall prevention presentation dedicated to helping older adults live safely at home as long as possible. You are invited! The event will be held from 9:30am – 12:00pm. Registration opens at 9:00am. It will be held at the Summit County Red Cross [501 West Market Street]. Breakfast will be provided and there will be give-aways for participants as well as prizes throughout the presentation! Please RSVP to Kathy Cern via phone (330-344-7842) or email (Kathy.cern@akrongeneral.org).

Got your flu shot? Great!
But don't forget about
pneumonia and shingles!

We are offering flu, pneumonia, and shingles vaccines during normal business hours. Give us a call or stop in to learn more about these three critical vaccinations.
