

SAND RUN PHARMACY

FEBRUARY 2024

Exciting news! SAND RUN PHARMACY has an App!

The **SAND RUN PHARMACY** App is designed to make managing your medications easier and more convenient than ever before! Here's a brief overview of how you can benefit from using our app:

Manage Medications Seamlessly:

Never miss a dose again! Our Pharmacy App allows you to effortlessly manage your medications right from your smartphone. Set up personalized medication reminders for each medication.

Instant Messaging for Your Convenience:

Have a question about your medication or need to clarify dosage instructions? With our in-app messaging feature, you can reach out to our pharmacy team directly during our business hours.

Submit Refill Requests with a Tap:

Running low on medication? No need to call or visit the pharmacy. Our app lets you submit refill requests with just a few taps.

Connect the entire family!

Add other family members to your profile

Some other perks: Review recent vaccine history, view your prescription insurance information, view allergies on file.

Download Our Pharmacy App Today! Need help setting it up? Let us walk you through it in person.

Don't want to download an app? Utilize the desktop version at:
